

Research August 2019 in Bruchweiler-Bärenbach for Schehl and Burkhardt families 1783

What did we know?

The Schehl descendants had sent us a letter, dated 9 August, 1895, written to Anna Nauer Schehl, wife of Johannes Theobald Schehl, the direct ancestor. The letter was written by John Adam Schehl, who was the brother of Frank "Joseph" Schehl who had previously left Germany and went back to visit family. The letter describes his return visit.

Our clients wanted to visit the hometown of their ancestors and try to find the places mentioned in that letter including a guesthouse named "Löwe"

What did we find?

We got an extract from the archive for our dear client Ken. So we even found Johannes Theobalds parents and grandparents. His grandfather was born in 1783 and he died 1852. His grandmother Anna Maria Burkhardt was born 1787 and died 1844

There are more ancestors going back to 1605.....

By the help of a local, Mr. Burkhardt, we were able to visit the church in Bruchweiler.

What else?

Mr. Burkhardt took us as well to Bundenthal, a few miles away from Bruchweiler, as Anna Maria was born and baptized there.
